

Ahoy, Exhibitors!

Make Plans for another exciting, water-filled day.

***Please join us at the
14th Annual City of Houston Water Festival at the
Downtown Aquarium***

**Thursday, May 10, 2007
10 am – 2 pm**

You and your organization are invited to host an exhibit at the May 10th Water Festival. Twelve hundred students from 13 schools and 46 exhibitors attended the 2006 Water Festival. We are planning for even greater student attendance and exhibitor participation at the May 10th event.

The Water Festival's primary focus is educating 3rd through 8th grade students about water-related environmental issues. We encourage you to provide interactive educational activities that will inspire students to become life-long water stewards.

To request an exhibitor registration form:

Call 713-837-0509 as soon as possible,
or email Brenda.Templeton@cityofhouston.net

Exhibit Set-up: Thursday, May 10th, 8:00 a.m. to 9:00 a.m.

Festival Ends: Thursday, May 10th, 2:00 p.m.

Exhibit space (10' x 10' tent, table and chairs) is provided at no charge, contingent upon exhibit relevance, educational merit, and space availability.

Thanks to the generosity of the Management of the Downtown Aquarium, the price of the Aquarium's One-Day Adventure Pass remains at the 2006 price of \$5 (a \$10 discount) so students, educators and volunteers may explore the Aquarium's interior exhibits and enjoy all of the outdoor rides. The One-Day Adventure Pass is valid until 10:00 p.m. that evening.

Reserve an exhibit space and save the date - May 10th – on your calendar.

Event coordinated by the City of Houston
Drinking Water Operations
Public Utilities Division
Department of Public Works and Engineering
